

Boy Scout Leader Training – Become a Fully Trained Leader

REQUIRED ADULT LEADER TRAINING

Assistant Scoutmaster: Youth Protection (Y01), Assistant Scoutmaster Specific Training (S24), Introduction to Outdoor Leader Skills (S11), Protecting God's Children, and four online courses – Weather Hazards, Safety Afloat, Climb On Safely, and Trek Safely.

Committee Member: Youth Protection (Y01), Troop Committee Challenge (WS10), and Protecting God's Children if position has direct contact with youth.

Merit Badge Counselor: Youth Protection (Y01) – Register through Council, NOT Troop

Assistant Scoutmaster Specific Training (S24)

Assistant Scoutmaster Leader Specific Training focuses on the essentials of being a good Assistant Scoutmaster. Course is presented by Council as a daylong session or split in half for two half days.

Introduction to Outdoor Leader Skills (S11)

Working as patrols, this hands-on weekend course provides adult leaders the practical outdoor skills they need to lead Scouts in the outdoors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank.

Protecting God's Children

As Troop 436 is chartered by St. Luke Parish, any adult leaders having direct contact with youth must also complete the Catholic Church required Protecting God's Children course which is similar to BSA's Youth Protection. Various course options and locations are posted at the Paterson Archdiocese website. The church also requires a background check. Please speak with the Troop Training Coordinator prior to scheduling course.

Online Training

Youth Protection (Y01) – Required for all registered adults. Youth Protection training is designed to help you keep our youth safe from abuse.

Troop Committee Challenge (WS10) – This course focuses on the core beliefs, aims, and methods of Scouting. It specifically helps each committee member learn and identify his or her role and responsibilities in support of the Troop in order to provide a quality experience for the Scouts.

Weather Hazards – Required for all activities. This course presents safety precautions for different types of weather, planning, preparation, and traditional weather signs.

Safety Afloat – Required training for at least one adult leader on any type of Scouting outing that involves boating.

Climb on Safely – Required training for at least one adult leader on any type of Scouting outing that involves climbing.

Trek Safely – Covers seven key safety points about trekking and is recommended for adult leaders organizing any type of trek.
